## CHAPTER TWO

# Life On Board

---

*At once leisurely and luxurious, intimate and eye-opening, the Eastern & Oriental Express invites you to a world in which travel and style are synonymous*

The train's name alone is a hallmark of distinction. To step on board is to enter a bygone era in which fine company, cocktails and delicious food are matched only by the spectacular cabins and views. This is the kind of journey usually reserved for the silver screen.

The breeze tousles your hair in the open-deck Observation Car, the perfect spot from which to admire the dramatically unfolding scenery. Glide through lush jungle and plantations, past ancient temples and timeless villages.

Browse our selection of books and games in the Saloon Car or take part in a sightseeing excursion – the perfect way to work up an appetite for dinner in our elegant Restaurant Car, where the menu offers eastern and western specialties. Retire with new-found friends to the sociable Piano Bar, open day and night, to indulge in a cocktail with our resident pianist. This is where memories are made.

The Eastern & Oriental Express offers the best not just of the old world, but the new too. The train is beautifully air-conditioned so you can stay cool in the tropical climate. Each private cabin benefits from an en-suite bathroom. And throughout, our attentive yet discreet staff ensure that yours is a smooth journey on board these sleek carriages.

# Your Carriage Awaits

## CABINS

There are four categories of private cabins: Pullman Single, Pullman, State Cabin and Presidential Cabin. The former two have upper and lower berths while the latter offer two single beds at floor level. Throughout each, a warm ambience flows thanks to cherrywood and elm burr panelling, decorative marquetry and fine fabrics. All are fully air-conditioned and fitted with en-suite showers and toilets. Presidential Cabins benefit from complimentary WiFi, as well as a mini bar and private transfers at the beginning and end of the journey. During the day, berths and single beds are converted into seating from which guests can admire the ever-changing, beautiful vistas outside.

## DINING

Pull up a seat for lunch and dinner in one of the world's most ornate Restaurant Cars. Here, internationally renowned chefs create eastern and western specialities to rival top restaurants. Expect dishes such as hoisin-glazed mackerel and lemongrass panna cotta. In the morning, a light breakfast is served in your cabin. Alternatively, opt for a four-course Royal Celebration Breakfast which

includes traditional favourites, locally inspired dishes and a glass of crisp champagne. House wines, house spirits and local beers are included in your fare throughout your journey. Premium drinks and all drinks ordered to your cabin will be at additional charge.

## PIANO BAR

Open from early morning until well into the night, the Piano Bar car is the train's convivial heart. Sit back with an aperitif serenaded by our resident pianist. Later, enjoy local entertainment on selected evenings while you share stories in great company.

## DRESS CODE

Dress for relaxed comfort as you move about the train during the day and go on excursions. We ask that you respect local cultures by wearing appropriate clothing when visiting temples. Evenings call for smart-casual attire with a touch of understated elegance, and we suggest gentlemen wear a jacket for dinner.

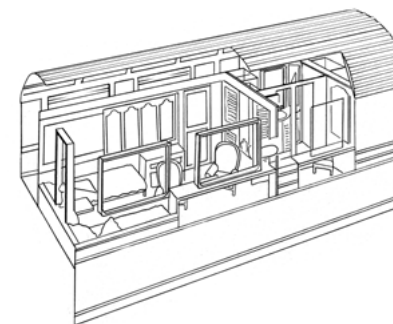

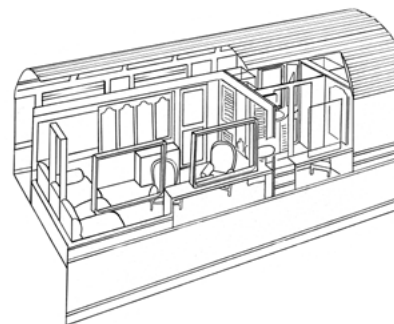

## BOUTIQUE

For a truly unique memento of your journey, browse the train's boutique which sells an exclusive selection of Eastern & Oriental Express gifts.
